SIGNIFICANCE

Blue and yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The Osage shield, taken from the State of Oklahoma flag, reflects the locale of the unit. It also represents the Native American tribe of Major General Clarence L. Tinker, the man for whom the Center's permanent installation is named. The wings and gear reflect the Center's mission to keep specific Air Force weapons systems in a constant state of worldwide combat readiness. The star pierced red symbolizes the history and legacy of past personnel.
