

TINKER AIR FORCE BASE FY20 ECONOMIC IMPACT STATEMENT

About the Statement

The Economic Impact Statement provides information about the economic impact of Tinker Air Force Base on the surrounding community. It is made available to federal, state and local officials and the general public. An installation's economic impact on the local community is calculated by identifiable off-base local area spending from gross expenditures. All financial figures are rounded to the nearest dollar.

At a Glance

There are 25,745 total personnel within Tinker Air Force Base, including 6,286 military, 17,463 appropriated fund civilians and 1,196 non-appropriated fund and contract civilians. Tinker AFB had an annual federal payroll of \$1.65 billion and annual expenditures of \$3.09 billion.

Annually, Tinker AFB generates approximately \$1.78 billion in jobs created with a total of \$5.96 billion in total annual economic impact.
