

DO'S & DON'TS

DO:

Do carpool. There are very few entrances to Tinker AFB. Parking will be limited.

Do bring sunscreen. Temperatures on the flight line are typically higher than normal. Take extra precautions with small children.

Do bring a camera and a pen. Many of the performers make themselves available for autographs during and after the show. Be sure to share your experience to social media using **#TinkerAirShow** to be included with our wonderful community during the air show.

Do bring earplugs. Loud noises on the flight line can damage your ears. Hearing protection is recommended.

Do bring folding chairs. Seating on the flight line will be limited. Visitors who want to sit to watch longer demonstrations, especially children and elderly, will want to bring lightweight, portable seating to the show.

DON'T:

Don't smoke on the flight line. The entire ramp is designated a non-smoking area. Additional non-smoking areas will be designated by the base fire chief.

Don't bring dogs or other animals, bicycles, roller-blades, skateboards, alcohol, fireworks, food or beverages in glass containers or weapons of any kind.

Don't over indulge in alcohol. Applicable laws will be enforced. Alcohol consumption can also increase the chance of heat stroke or dehydration on a hot day.

Don't bring wagons or other child carrying items that are not collapsible.

Don't politically campaign while on base.

Don't leave bags/packages unattended.
