

Tinker Air Force Base | Liberator Gate Alternatives

Liberator Gate Alternatives

If you're a former Liberator Gate user and are looking for alternatives to get on and off base, check out these three route choices. The illustrated routes show options for drivers coming from the north, southwest and east. While it may seem longer, you will most likely get to your destination sooner by using a less trafficked gate. If these options don't work, check out other available gates/hours to plan your day. Drive safely!
