### **Home Screen**

- Click "Create Account" on the top right corner of the screen.
- You will then follow the steps.
- You can only have one account per e-mail address.
- Make sure to double check everything you enter, especially spelling of your name, SSN, and birthdate.

- Begin with typing Tinker AFB, OK in the location space.
- You will notice some location(s) say "Multiple Locations", which means it is not a Tinker specific position.

- Click Apply Online
- You will be redirected to Application Manager, click "Accept and Proceed"
- You will then begin answering the questionnaire for the job to which you are applying.
- Read all answers as some answers can seem like the right answer at first glance but may end up being just the opposite.

- After answering all of the questions you will then be asked to upload documents.
- The upload documents section is where you will want to add your resume, transcripts, DD214, VA Letter and any other relevant documents necessary.

- Once you sign in, click "Resumes".
- You can create five resumes.
- If you use the USAJOBS Resume Builder, you will be prompted to put in work experience, education, references, and additional information as necessary.
- You can use your own resume but you must make sure it is a federally formatted resume.

- Do's
  - Do be DETAILED Explain everything you did.
     Detailed job experiences really carry weight.
