

# Optometry

Hours of operation: Monday, Tuesday, Thursday and Friday from 0700 to 1600 and from 0900 to 1600 on Wednesday. To schedule an exam, a follow-up visit, or to cancel an appointment, Active Duty and all other Tricare Prime patients must call the appointment line at 734-2778.

Optometry services are provided at the Main Clinic located within the 72nd Medical Group.

Optometry services are for Active Duty members only (and for other beneficiaries on a space-available basis). Active Duty family members are authorized one Optometry visit every year with a network provider. Retirees are authorized one visit every two years with a network provider. No referral is needed for a routine eye exam on or off base. Civilian care for anything other than a routine eye exam must be network approved.

Services at the Main Clinic include: comprehensive routine eye examinations, evaluation and treatment of acute eye injuries and infections, evaluation and management of eye diseases, and the dispensing of military-issue spectacles and gas mask inserts. Cosmetic contact lenses are fitted for active duty members on a case by case basis.

Safety eyewear is fitted and dispensed to civilian employees at the Occupational Vision Clinic (Bldg. 3334), Rm.122. Operating hours are Tuesday and Thursday from 0700 to 1100. They can be contacted at 734-2582.
